

## No water, no mess. Unlike the rest.

Thanks to its unique, self-hydrating coating, the MAGIC<sup>3</sup> Go<sup>®</sup> hydrophilic catheter with CLEANGLIDE<sup>™</sup> Technology provides you with control, comfort, and confidence. You never have to deal with the mess of water or lubrication because the coating is already hydrated. Simply open the package, and it's ready to go—no matter where life takes you.

No one chooses to use catheters everyday, but for people who need to, we promise to provide great products, services and support from your doctor's office to your home, your life and anywhere you love to be.

## Magic<sup>3</sup> Go<sup>®</sup>

Hydrophilic Intermittent Catheter  
with CLEANGLIDE<sup>™</sup> Technology

# Our best catheter yet.

Control

Comfort

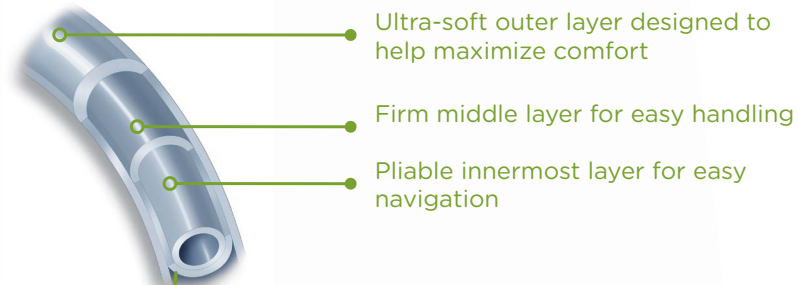

Confidence

## Ergonomic Handle

The MAGIC<sup>3</sup> Go<sup>®</sup> hydrophilic catheter provides control with a secure grip and a no-touch area for you to insert the catheter. It can easily and securely be connected to a collection device.

## Three-Layer Silicone Catheter

With its self-hydrating coating, the MAGIC<sup>3</sup> Go<sup>®</sup> with CLEANGLIDE™ Technology is designed to glide easily and comfortably through the urinary tract.

## New, Unique CLEANGLIDE™ Technology

CLEANGLIDE™ is a lubricious hydrogel that maintains the catheter in a hydrated state without requiring activation or lubrication prior to use.

## Saves Time

Thanks to the MAGIC<sup>3</sup> Go<sup>®</sup> catheter there is no need to activate the coating or add lubricant anymore. It is ready to go out of the package.

## Discreet Packaging

The MAGIC<sup>3</sup> Go<sup>®</sup> catheter's package is discreet and gives you the ability to carry it folded in a compact format. The adhesive flap frees up your hands by attaching to dry, vertical surfaces.
